Dixon, IL – The Illinois Department of Transportation announces today that weather permitting, construction work on Garden Plain Road west of Morrison will begin on Monday, July 10, 2017. Civil Constructors will be making improvements to the 3.6 mile section of Garden Plain Road from US 30 to west of Hillside Road.

The contractor will be recycling the existing pavement by milling the roadway and then compacting it. The roadway will then be allowed to dry for a couple weeks before a new bituminous overlay is placed. The \$811,036 contract should be completed by mid-September.

Traffic will be restricted to one lane during construction operations and controlled by flaggers. Drivers should expect short delays and should be prepared to stop for the flaggers directing traffic.

Please slow down and use extreme caution while driving through all work zones.
